

KARRATHA is CALLING

Parks Operator

Salary Package: \$84,006 per annum plus 13% super
Additional allowances up to \$25,103 available

The City of Karratha is entering an exciting period of growth and investment in community infrastructure, public open spaces and environmental stewardship. As a Parks Operator, you will play a hands-on role in maintaining the City's parks, streetscapes, sports grounds and natural areas, helping to create safe, attractive and functional spaces for residents and visitors to enjoy.

This is an opportunity to join a dedicated team that takes pride in enhancing community spaces through high-quality vegetation management, landscape maintenance and operational service delivery. If you enjoy working outdoors, operating specialised equipment and contributing to the presentation of public spaces, this role offers a rewarding career within a supportive and collaborative team environment

Why Join Us?

- 6 weeks annual leave and 13% superannuation
- Allowances up to \$25,103 available for employees residing in Karratha
- Free Karratha Leisureplex or Wickham Recreation Precinct membership, and a salary sacrificing option (up to \$500 per annum) for specific programs or family members
- Up to \$3,000 per year for approved study assistance
- Employee Assistance Program (EAP) for confidential wellbeing support

About the Role

- Undertake vegetation management, weed control and landscape maintenance activities across parks, reserves and public open spaces.
- Operate and maintain plant, machinery and equipment used in parks, turf and open space maintenance.
- Perform mowing, planting, pruning, mulching, spraying and general grounds maintenance activities.
- Support the safe and efficient delivery of scheduled and reactive maintenance programs across the Parks and Natural Areas team.

Role Requirements

- Demonstrated experience in parks, turf, landscape, vegetation management or horticultural maintenance activities.
- Experience operating plant and equipment associated with parks and open space maintenance.
- Knowledge of weed management, chemical application and safe handling practices, including a Chemical Handling and Application Certificate.
- Current HR Class Driver's Licence with the ability to work safely and effectively within a collaborative team environment.
