Position Statement

This position is responsible for serving customers and undertaking various waste duties at the Waste Management Centres.

Position Duties

- Provide customer service including but not limited to assisting customers, responding to customers and recording transactions at the assigned Council facility
- Coordinate activities at a Resource shop or similar facility
- Assist with waste education activities as required
- Monitor waste entering the facilities and ensure that the customer's receipts correctly outline what is contained in their loads
- Educate the customers on how they can recycle and dispose of their waste effectively and efficiently
- Supervise and encourage the public to make sure they are recycling correctly and disposing of waste in the appropriate location
- Ensure that the customer service areas are kept clean and litter free
- Manually remove contamination from organic waste and undertake composting activities
- Conduct litter patrols of the waste facilities and the surrounding areas
- Use of Councils Mandalay system software to accurately reflect the waste type and record weight of waste delivered to the facility through the tip wells, to inform fees to be collected by gatehouse staff on customer exit
- Undertake gate house duties as required, including serving customers using the weighbridge systems, and cash handling
- Liaise with Team Leader and Plant Operators to ensure that the tip well bins are emptied and drop off areas are cleared as required
- Participate in waste collection activities as required
- Advise the relevant supervisor of any identified hazards and suggest necessary changes in work practices to improve safety of staff and the general public
- Undertake training as required
- Follow WHS processes and procedures
- Operate waste plant and machinery within the employee skills and training level
- Undertake waste collection activities as required
- A thorough knowledge of accepted products and their storage within the Community Recycling Centre (CRC) located at Goulburn Waste Management Centre
- Carry out other duties that are within the limits of the employee's skills, competence and ability as required
- All staff are responsible and accountable for creating and keeping accurate and complete records of their business activity in accordance with Council's Records Management Policy and the Code of Conduct

Essential Selection Criteria

- Communication and customer service skills, including the ability to respond to difficult customers and use devices such as mobile phones and two way radios
- Computer and cash handling skills, including the ability to use the Microsoft Office suite of products
- Willingness to operate plant and machinery and gain competencies as required
- Physical fitness to meet the requirements of the role
- Class C Drivers Licence and the ability to drive a manual vehicle
- Demonstrated ability to emulate Council's values of passion, respect, innovation, dedication and excellence and to strive to achieve our vision and mission

Frequency Definitions

- Occasional: Activity exists up to 1/3 of the time when performing the task
 Frequent: Activity exists between 1/3 and 2/3 of the time when performing the task.
 Constant: Activity exists more than 2/3 of the time when performing the task.
 Repetitive: Activity involves repetitive movements.

Demands	Description	Frequency				
		O	F	C	R	N/A
Physical Demands						
Kneeling/Squatting	Tasks involve flexion/bending at the knees and ankle, possibly at the waist in order to work at low levels			√		
Leg/Foot Movement	Tasks involve use of the leg and or foot to operate machinery			√		
Hand/Arm Movement	Tasks involve use of hands/arms – e.g. stacking, reaching, typing, mopping, sweeping, sorting, and inspecting.				√	
Bending/Twisting	Tasks involve forward or backward bending or twisting at the waist.				√	
Standing	Tasks involve standing in an upright position without moving about				√	
Driving	Tasks involve operating any motor powered vehicle			√		
Driving	Tasks involve driving vehicle on unsealed roads.			√		
Sitting	Tasks involve remaining in a seated position during task performance			√		
Reaching	Tasks involve reaching overhead with arms raised above shoulder height or forward reaching with arms extended.			√		
Walking/Running	Tasks involve walking or running on even surfaces			√		
	Tasks involve walking on uneven surfaces		√			
	Tasks involve walking up steep slopes		√			
	Tasks involve walking down steep slopes		√			
	Tasks involve walking whilst pushing/pulling objects			√		
Climbing	Tasks involve climbing up or down stairs, ladders, scaffolding, platforms, trees					√
Working at heights	Tasks involve making use of ladders, foot stools, scaffolding, cherry-pickers etc. anything where the person stands on an object other than the ground.					√
Lifting/Carrying	Tasks involve raising/lowering or moving objects from one level/position to another, usually holding an object within the hands/arms				√	
	1. Light lifting/carrying (0-9 Kg)				√	
	2. Moderate lifting/carrying (10-15 Kg)				√	
	3. Heavy lifting/carrying (16 Kg and above)			√		
Digging	Tasks involving manual digging	√				
Pushing/Pulling	Tasks involve pushing/pulling objects away from or towards the body. Also includes striking or jerking.				√	
Grasping	Tasks involve gripping, holding, clasping with fingers or hands.				√	
Manual Dexterity	Tasks involve fine finger movements – i.e. keyboard operation, writing.				√	

Demands	Description	Frequency				
		O	F	C	R	N/A
Sensory Demands						
Sight	Tasks involve use of eyes (sight) an as integral part of task performance – i.e. looking at screen/keyboard in computer operation, working in dark environment, working at night.				√	
Hearing	Tasks involve working in a noisy area – e.g. workshop and/or operation of noisy machinery/equipment		√			
Smell	Tasks involve the use of the smell senses as an integral part of the task performance – e.g. working with chemicals			√		
Taste	Tasks involve use of taste as an integral part of task performance					√
Touch	Tasks involve use of touch as an integral part of task performance			√		
Psychological Demands						
	Working with animals	√				
	Dealing with dead or injured animals etc.		√			
Psychosocial Demands						
	Tasks involving customer service (members of the public & clients)				√	
	Tasks involve interacting with distressed or angry people			√		
	Tasks involve interacting with people with mental illness/disability		√			
Exposure to Chemical Hazards						
Dust	Tasks involve working with dust – e.g. sawdust		√			
Gases	Tasks involve working with gases		√			
Fumes	Tasks involve working with fumes – i.e., which may cause problems to health if inhaled. e.g. herbicides & insecticides, water treatment etc		√			
Liquids	Tasks involve working with liquids which may cause skin irritations if contact is made with skin – e.g. dermatitis				√	
Hazardous Substances	Tasks involve handling hazardous substances including storage and/or transporting.				√	
Working Environment						
Lighting	Tasks involve working in lighting that is considered inadequate in relation to task performance – e.g. glare				√	
Sunlight	Exposure to sunlight				√	
Temperature	Tasks involve working in temperature extremes – e.g. working in a cool room, working outdoors, boiler room				√	
Confined Spaces	Tasks involve working in confined spaces					√
Accident Risk						
Surfaces	Tasks involve working on slippery or uneven surfaces				√	
Housekeeping	Tasks involve working with obstacles within the area – bad housekeeping				√	
Heights	Tasks involve working at heights below knee level and/or above shoulder height.				√	
Manual Handling	Tasks involve manual handling.				√	
Biological Hazards						
Biological Products	Tasks involve working around wastewater/garbage etc.		√
