

KARRATHA is CALLING

Gardener – Infrastructure Services

Salary Package: \$90,397 per annum plus 13% super
Allowances up to \$26,188 available

We are looking for a motivated and hardworking Gardener to join our Parks and Natural Areas team, helping to maintain and enhance the City's parks, gardens, reserves and public spaces for our community to enjoy.

It's an exciting time to join the City. As we bring the Council Plan 2025–2035 to life, we are growing and reshaping our organisation to better deliver on the priorities that matter most to our community. That means new opportunities for people who want to contribute to meaningful work, help shape how we deliver services, and be part of a team building for the future.

About the Role

- Maintaining gardens, lawns, street trees, verges and public spaces to a high presentation standard.
- Identifying and controlling weeds, pests and plant diseases using appropriate treatment methods.
- Conducting routine park inspections, litter collection and reporting maintenance or safety issues.
- Assisting with irrigation repairs, construction projects and major maintenance works across the City.

Key responsibilities include:

- Knowledge of horticultural practices and experience using and maintaining parks and gardens equipment.
- Strong teamwork skills and the ability to communicate effectively with colleagues and members of the public.
- A commitment to workplace health and safety, including safe work practices and PPE compliance.
- A current First Aid Certificate, with horticulture qualifications and an MR driver's licence highly regarded.

Why work with us?

- Enjoy 6 weeks annual leave each year
- 13% superannuation and allowances of up to \$26,188 available
- Be part of a supportive team environment that values safety, collaboration and professional development
- Access ongoing training opportunities to develop your horticultural skills and grow your career
