The Opportunity

The Facilities Maintenance Officer is responsible for undertaking maintenance and repair (both planned and reactive) of Council owned facilities and assist with procurement, coordination and delivery of maintenance and renovations by contractors.

The role is also responsible for providing professional technical advice and guidance to community groups, contractors, assisting pool lessees and other

staff to ensure that operational requirements, construction and maintenance works are completed as per approved plans and schedules and within approved budgets. Further, where appropriate, you will work within your professional capabilities to deliver works that enable cost savings for Council.

This role encompasses a range of duties and responsibilities which may vary as directed by Council. The key ones include:

- Undertaking repairs, maintenance, replacements and modifications of Council buildings and campgrounds in an efficient and cost-effective manner using skills across a variety of trades, in a range of work environments, including 'dirty' work;
- Assessing requested works and prioritising CRM's logged for service, recommending and procuring internal and contracted treatment options, including timely and cost-effective resolution of urgent maintenance issues;
- Identifying and resolving issues with a range of equipment at various facilities, including heated aquatic centres, lifts and large HVAC systems.

About Yourself

A person in this position will need to hold a relevant Trade Qualification in Carpentry, OR be able to demonstrate equivalent related experience in building and/or building maintenance. It is also highly desirable for the successful candidate to have:

- QLD Construction White Card
- Bobcat and/or Elevated Work Platform tickets; and
- MR Drivers Licence.
- Aerodrome Reporting Officer and Aerodrome Radio Operator Training
