Working at Clarence Valley Council

Our goal is simple. We want Clarence Valley to be a community full of opportunity. We know that starts with our people.

Located in the heart of the Northern Rivers, the Clarence Valley is a special place to call home. With over 100km of stunning beaches, national parks and 60 unique towns and villages to enjoy, we've got a massive backyard to look after.

As one of the region's largest employers, we provide the job security and career opportunities of a large organisation, with the warmth and connection of a local team.

We're currently working on some big plans to make the Valley even better by 2036, and we need people who are ready to roll up their sleeves and be a part of something truly important.

- Certificate II in a relevant discipline such as carpentry, plumbing, landscaping, building construction; or relevant industry experience
- Experience in a similar role, including maintenance of parks and assets
- A current Class C Driver's Licence and a General Construction Induction (White Card)
