About the role

Are you looking for an opportunity to lead a road maintenance team and deliver infrastructure valued by the community? Do you enjoy a variety of work across a large geographic area?

Clarence Valley Council's Civil Services team is seeking an experienced leader to help deliver essential road maintenance services while developing their skills in one of New South Wales most scenic and geographically diverse regions.

We are looking for a leader with experience in road maintenance or construction who can work collaboratively and bring an enthusiastic attitude to the role. The position is responsible for the day-to-day coordination of a work team and requires a sound understanding of work planning, cost tracking, quality verification, safety and environmental issues.
